Public reporting burden for this collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This information is required to obtain benefits and voluntary. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This information is authorized by the U.S. Housing Act of 1937 as amended, the Housing and Urban Rural Recovery Act of 1983 and Housing and Community Development Technical Amendments of 1984. This information is needed to be in compliance with OMB-mandated changes to Ethnicity and Race categories for recording the 50059 Data Requirements to HUD. Owners/agents must offer the opportunity to the head and co-head of each household to "self certify" during the application interview or lease signing. In-place tenants must complete the format as part of their next interim or annual re-certification. This process will allow the owner/agent to collect the needed information on all members of the household. Completed documents should be stapled together for each household and placed in the household's file. Parents or guardians are to complete the self-certification for children under the age of 18. Once system development funds are provided and the appropriate system upgrades have been implemented, owners/agents will be required to report the race and ethnicity data electronically to the TRACS (Tenant Rental Assistance Certification System). This information is considered non-sensitive and does not require any special protection.

Instructions for the Race and Ethnic Data Reporting (Form HUD-27061-H)

A. General Instructions:

This form is to be completed by individuals wishing to be served (applicants) and those that are currently served (tenants) in housing assisted by the Department of Housing and Urban Development.

Owner and agents are required to offer the applicant/tenant the option to complete the form. The form is to be completed at initial application or at lease signing. In-place tenants must also be offered the opportunity to complete the form as part of the next interim or annual recertification. Once the form is completed it need not be completed again unless the head of household or household composition changes. There is no penalty for persons who do not complete the form. However, the owner or agent may place a note in the tenant file stating the applicant/tenant refused to complete the form. **Parents or guardians are to complete the form for children under the age of 18.**

The Office of Housing has been given permission to use this form for gathering race and ethnic data in assisted housing programs. Completed documents for the entire household should be stapled together and placed in the household's file.

1. The two ethnic categories you should choose from are defined below. You should check one of the two categories.

2. **Not Hispanic or Latino.** A person not of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

2. The five racial categories to choose from are defined below: You should check as many as apply to you.

1. **American Indian or Alaska Native.** A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

HOW OUR WAITING LISTS WORK

Thank you for your interest in the Peoria Housing Authority (“PHA”) Housing Choice Voucher and Public Housing Programs. Both of these housing assistance programs are very popular, so your application for admission will be added to a Waiting List we created for each program. Before you complete an application, please understand that **anyone who currently owes money to the PHA, any other housing authority, or any other public housing or housing choice voucher program, will not be placed on our Waiting Lists until all outstanding debts are satisfied. So, if you owe money, your completion of our application WILL NOT put you on a Waiting List.**

Assuming you do not owe money, here is what happens after you complete and submit your housing program application:

- Your application will be date and time-stamped and your name will be added to the appropriate Waiting List according to when the application is received in our main office. There are separate Waiting Lists for Housing Choice Voucher and Public Housing.
- Your position on the Waiting List may benefit from what are called **Preferences**. Our Preferences may help you move up on the Waiting List more quickly than someone without a Preference. Currently, PHA’s Preferences apply to applicants who are a) working at least 20 hours per week, b) full-time students, c) disabled, d) elderly, age 62 or older, e) participating in a self-sufficiency economic program, f) homeless, or g) veterans. If you qualify for any of these Preferences, please be sure to mark them on your application and provide supporting documentation with your application. If documentation is not included, you will not receive the Preference. In addition, if at any time your status changes and you feel you qualify for a Preference, please notify us in writing and provide the supporting documentation.
- Your position on the Waiting List will fluctuate daily, so we do not give out numbers and/or positions. Also, it is not possible for us to determine or predict how long an applicant will wait before they are pulled from a Waiting List. Please be considerate of our staff and their time by not asking them to guess your position and wait time.
- When your name nears the top of the Waiting List, we will contact you for an interview and ask that you bring in information and several forms of verification. We also will verify any Preference you may have claimed on your application to determine if you were, and are still entitled to the Preference. If we determine that the circumstances that entitled you to a claimed Preference no longer exist, your position on the Waiting List will be recalculated.
- At the interview, you will begin the Eligibility/Admissions process and we will gather updated information about you and your family. We also will obtain consent forms, including for criminal background checks of all persons listed on your application who are 18 years of age and older.

- **(Housing Choice Voucher applicants only)** Please remember that you are only on a Waiting List, and are not receiving assistance at this time. Therefore, you may not contact a property owner and inform them that you have Housing Choice Voucher assistance that will help pay your rent.
- **(Public Housing applicants only)** The Peoria Housing Authority purges (updates) the Public Housing Waiting List near the end of each calendar year. Before doing so, we attempt in writing to contact all applicants to determine if they are interested in remaining on it. If we contact you, please be sure you respond within the timeframe indicated, or your name will not be included in the updated Waiting List.
- **IMPORTANT:** Please be sure to notify our office **IN WRITING** if you move, change your telephone number or contact number, or have a change in your family composition. If we attempt to contact you by mail and it is returned as non-deliverable by the U.S. Post Office, you will be removed from the Waiting List. No change of information will be accepted by telephone or facsimile.

We hope we have answered your questions about the Waiting List and the process of waiting for approval for Housing Choice Voucher and Public Housing assistance. If you have any questions about the process at any step, please contact us at our main office telephone number listed below between the hours of 8 a.m. and 5:00 p.m., so that you can be directed to the appropriate program representative.

**NOTICE TO PEORIA HOUSING AUTHORITY APPLICANTS AND RESIDENTS
REGARDING REASONABLE ACCOMMODATIONS**

The Peoria Housing Authority (PHA) is committed to ensuring that its policies and procedures provide individuals with disabilities the opportunity to participate in and benefit from its programs, services and activities. PHA is dedicated to ensuring that individuals with disabilities are not discriminated against on the basis of disability, in connection with the operation of its programs, services and activities.

PHA provides reasonable accommodations to applicants and residents if they have a disability and reasonable accommodations are necessary for them to have the opportunity to enjoy offered programs, services and activities. A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that gives a qualified individual with a disability the opportunity to participate in and benefit from, a program or activity. The accommodation will be made, provided it does not pose an undue financial or administrative burden to PHA or require a fundamental change in its program.

A reasonable accommodation may also include providing an appropriate auxiliary aid to an applicant with a disability to enable effective communication. Examples of reasonable accommodation may include:

- installing flashing light smoke detectors in an apartment for a resident with a hearing impairment;
- providing a reader, during a housing interview, for an applicant or resident with a vision impairment;
- installing grab bars in the apartment bathroom of a resident with a disability;
- permitting an outside agency to assist an applicant with a disability to meet the screening criteria.

Residents with a disability requesting reasonable accommodation must fulfill their lease terms. They must be able to pay rent, care for their apartment, report required information, not disturb the neighbors, etc.

Requests for a reasonable accommodation may be made to the Asset manager or at the PHA office at 100 S. Richard Pryor Place, Peoria, IL 61605. The individual making the request will be provided with a Request for Reasonable Accommodation form which should be completed, signed and returned for processing. Assistance with completing this form is available from PHA staff. Please call the Section 504/ADA Administrator at 309-677-7312 or email Yvonne Long at djackson@pha.peoria.il.us if you have any questions or concerns about reasonable accommodation.
