Building Strong Foundations
for Healthy Striving Families

The Peoria Housing Authority's **Family Self-Sufficiency (FSS) Program** is excited to partner with **PCCEO Head Start, The Children's Home, and the Peoria County Health Department** to bring families together for an informative and resource-filled event focused on the health, development, and well-being of children and families.

Join us to connect with local organizations, learn about valuable community resources, and discover services designed to help your family thrive.

Families will have the opportunity to:

- Learn about early childhood education and development
- Connect with health and wellness resources
- Explore programs and services available to children and families
- Ask questions and connect directly with community professionals
- Learn about resources that support healthy, stable, and successful families

Healthy families. Strong communities.
Brighter futures.
